# Weekly Prayer

Almighty God,  
you search us and know us:  
may we rely on you in strength  
and rest on you in weakness,  
now and in all our days;  
through Jesus Christ our Lord.

If you have any electrical items you don't need any more (be they working or NOT) can you consider donating them to Finningley Church please.

We are looking at stereo's, radios, televisions, game consoles and anything like that. If they are working then we have someone who will sell them on ebay with 100% of the money received going to church. If they are not working then he will try and repair them. If he can't repair them they will be sold as spares or repairs. Strangely items that are not working still sell on ebay quite often.

Any questions please talk to me. David Liddle.

## Churchyard Autumn 'Cut'

We are planning to carry out this year's cut of the summer meadow in the week commencing 2nd September. We need help from Tuesday 3rd September with raking and removing the grasses to the churchyard waste heap at the back of the new burial ground but there will be other jobs to do too. It's important that all the cut grasses are removed to keep the meadow nutrient poor in order to benefit the wild flowers that grow there.

If you or anyone you know can help then please let me know of any days that week when you might be able to help so that we can plan the work around our volunteers. You can contact me on 01302 770910 or WhatsApp me on 07884 197312.

Remember a work out in the churchyard is just as good as a visit to the gym, only it's free and refreshments are provided!

Thanks, Tricia
